

ASSOCIATE OF APPLIED SCIENCE DEGREE

Agri-Business Technology program

This program offers the graduate an Associate of Applied Science degree (AAS) which provides education for specific careers in marketing and management, agronomy, horticulture, or livestock production. Graduates are prepared for the world of work upon successful completion of the program. While an AAS is not designed to transfer, it is possible to transfer to a four-year college if planned accordingly. Students planning to transfer should consult their faculty advisor before registering for classes to assure appropriate classes are selected.
