

Correspondence Courses Offered

The following Correspondence Courses are offered through the ERC at Crowder College. Each completed volume earns you DNR approved training hours toward your Drinking Water Treatment or Wastewater Treatment license renewal. Each student is responsible for presenting a copy of their Certification of Completion from the course to DNR so that they can award renewal hours.

Operation of Wastewater Treatment Plants	Renewal Hours Awarded
<input type="checkbox"/> Volume I \$85.00	15 W/15 DS/90 WW
<input type="checkbox"/> Volume II \$85.00	15 W/15 DS/90 WW
Advanced Waste Treatment	
<input type="checkbox"/> \$85.00	10 W/10 DS/90 WW
Industrial Waste Treatment	
<input type="checkbox"/> Volume I \$85.00	15 W/ 0 DS/90 WW
<input type="checkbox"/> Volume II \$85.00	0 W/ 0 DS/90 WW
Treatment of Metal Wastestreams	
<input type="checkbox"/> \$65.00	10 W/10 DS/45 WW
Pretreatment Facility Inspection	
<input type="checkbox"/> \$85.00	0 W/ 0 DS/90 WW
Utility Management	
<input type="checkbox"/> \$65.00	15 W/15 DS/15 WW
Operation & Maintenance of Collection Systems	
<input type="checkbox"/> Volume I \$85.00	0 W/10 DS/30 WW
<input type="checkbox"/> Volume II \$85.00	0 W/10 DS/30 WW
Water Treatment Plant Operation	
<input type="checkbox"/> Volume I \$85.00	90 W/30 DS/15 WW
<input type="checkbox"/> Volume II \$85.00	90 W/30 DS/15 WW
Small Water System Operation & Maintenance	
<input type="checkbox"/> \$85.00	90 W/45 DS/15 WW
Distribution System Operation & Maintenance	
<input type="checkbox"/> \$85.00	30 W/90 DS/15 WW
