AUTISM WORKSHOP AT CROWDER COLLEGE

Neosho, MO – Jamie Emery, the Autism and Applied Behavioral Analysis Program Instructor at Crowder College, is pleased to announce a co-sponsored event with Cross Country Education and Kevin T. Blake, PhD, P.L.C. who will be presenting “Social Difficulties of Learning, Attentional and Autism Spectrum Disorders: Screening and Treatment.” His program will be presented on January 16 and again on January 17, 2012. Dr. Blake is a nationally recognized authority on learning disorders and AD/HD in children, adolescents and adults. He will be discussing such topics as Dyslexia, Learning Disabilities, Asperger’s Disorder, NVLD (Non Verbal Learning Disorders) and AD/HD.

Limited seating is available on Monday (Jan 16). Additional seating is available for Tuesday (Jan 17). Daily registration will begin at 7:30 a.m.; the seminar begins at 8:00 a.m. and concludes at 3:30 p.m. You may pre-register at

<http://www.crowder.edu/machform/view.php?id=42>

Additional information is available on Crowder’s website at www.crowder.edu or by calling Kathy Collier at 417/455-5773. Pre-registration is \$75 (includes materials and lunch) if received prior to December 15, 2011. **Registrations received after December 15, 2011 will be \$99.** The presentation will be held in the auditorium at the Elsie Plaster Community Center on the Neosho campus. Lunch will be served in the Wright Conference Rooms in the Farber Building.

Crowder College’s Autism and Applied Behavioral Analysis department is excited to be able to co-sponsor with Cross Country Education this special event. Dr. Blake is an engaging speaker whose presentations incorporate germane information, practical how-to’s, and appropriate life experiences. Attendees will learn the exciting new research on how the unique neurophysiology of those with neurobiological disorders can negatively affect their ability to interact socially. This one-day event is a MUST for anyone who works with learning or socially impaired individuals.
