FOR IMMEDIATE RELEASE

From the Office of Public Information
Crowder College

Neosho, MO- Crowder College Vocal Music Students will perform, Thursday, May 12th in the Elsie Plaster Community Center Auditorium at 7:00 p.m.

The Crowder Chorale will be presenting their first major work since Dr. Kierstin Bible, Choral Music Instructor, has worked at the college. Dr. Bible said, “It is called “Song of Democracy”, and it is very uplifting and exciting! They’ve worked really hard on this, and it sounds amazing.”

The Crowder Show Choir will also be doing all “unplugged” music (i.e. no music tracks), with a special appearance by Dianne Haliburton, an amazing violinist who has previously worked with the group. A new piece of music written by a former student of Dr. Bible will also be debuted at the concert.

The evening will offer an eclectic selection of music, including “Mad World”, “Saints from the Streets”, “Erin’s Song”, “Embraceable You”, “The National Anthem”, “Heart’s Cry”, “Love Heals” and more! Plus you’ll get to hear some of our fine soloists!

Praise should be given to the Crowder College Foundation. They made it possible to purchase beautiful new acoustic choir shells. The Crowder Foundation has made such a big difference in the program through their generous donation!
