Neosho, MO - The Neosho E3 Conference (Energy, Efficiency, Environment) will be held September 22nd and 23rd on the Crowder College campus in Neosho. *Bringing Green to the Main Stream* is this year's theme with two very notable keynote speakers, Dean Johnson from Hometown (Sept. 22) and Lynn Billman from the National Renewable Energy Lab (Sept. 23). The event is geared toward both business and individual home owners with energy efficiency in mind.

Registration will be in the Arnold Farber Building beginning at 8:00 a.m. both days. Thursday the sessions are from 10:00 a.m. to 4:00 p.m. and Friday from 9:00 a.m. to 3:30 p.m. You may pre-register online at: www.crowder.edu/econference. Registration is \$20 for both days; \$15 for Thursday only, \$10 for Friday only. Students are admitted free with student ID.

Breakout sessions include: Blower Door Demonstrations, Building for Sustainable Living, Converting to Ethanol, Energy Efficient Window Choices, Financial Benefits, Return on Investment, and Funding Sources, Geothermal, Heat Recovery Ventilation, Heater Myths, ICF Construction, Making Biodiesel, Neosho National Fish Hatchery Project, Newspapers to Insulation, Recycling, SIP Construction, Smartgrid Technology, use of Alternative Energy Sources on a College Campus and Water Erosion. A complete listing of scheduled speakers may be found at: www.crowder.edu/econference
