## GILION HONORED BY MCCA

**Neosho, MO** – Millie Gilion, Crowder College PE/Wellness Instructor and Athletic Director, received the Missouri Community College Association’s (MCCA) Senior Faculty Award at the annual convention in Branson. The award is presented annually to one faculty member at each of Missouri’s community college campuses. Gilion was nominated to receive this award by college administrators in recognition of more than 20 years of service.

"This is a well-deserved honor for Millie and it's really nice to see her recognized by the Missouri Community College Association for the many years of faithful service she has offered to students at Crowder College" stated Dr. Alan Marble, Crowder College President.

Gilion began her career at Crowder in 1987 as the Lady ‘Riders softball coach. Today, she teaches Wellness classes and serves as the college’s Athletic Director.
