

## ASSOCIATE OF APPLIED SCIENCE DEGREES

Associate in Applied Science (A.A.S.) programs provide education for specific careers. Graduates are prepared for the world of work upon completion of suggested curriculum.

While the A.A.S. is not designed for transfer, selected A.A.S. programs may be transferred to four-year colleges through special articulation agreements. A.A.S. students seeking transfer should consult their faculty advisor before registering.

To graduate with the Associate in Applied Science Degree a student must meet the following requirements:

- A. Earn a minimum of 60 semester hours of credit. Of these, at least 15 of the last 30 semester hours must be earned in courses provided by Crowder College.
- B. Earn a cumulative grade point average of 2.0 (C) or higher in all college courses attempted.
- C. Complete an approved curriculum as listed on the following pages.

### ASSOCIATE OF APPLIED SCIENCE DEGREE
