ASSET INFORMATION 2010-2011

We have received the results of your FAFSA (Free Application for Federal Student Aid). Per Department of Education guidelines, our office needs to collect additional information from you. Please follow the instructions below to complete this form.

1. Please provide, and if you are a dependent student (If parent information is required on FAFSA) have your parent(s) provide, the following information about your family's assets. If you have no asset amount please write zero (0) in the blank provided below.
2. Refer to your parent's 2009 federal tax return. If a federal tax return form 1040 was filed, check for dollar amounts listed on lines 8a, 8b, 9a, 12, 13, 17, or 18. If an amount is listed on any of these lines, it is an indication of potential assets to be reported on the FAFSA. Please list on this form the dollar amount of any assets associated with the above line numbers. (NOTE: The dollar amount listed on the 1040 is NOT the same as asset net worth you list below. Net worth means current value minus debt.) **If asset net worth is zero, provide a comment explaining why.**
