c) Admissions information – <http://www.crowder.edu/student-services/admissions/index.php>

2) This program prepares students to enter the following occupations (by name and SOC code).

a) The Occupational Network (O*Net) has developed an online database that analyzes hundreds of occupations in terms of the tasks that they perform, the tools and technologies that are used in that occupation, the educational requirements of that program and wage and employment trends for the program at the state and national level. You can access this data base online at:

O*NET Online - <http://www.onetonline.org/>

You can search for a specific occupation by entering key words (e.g. CNA or Wind) or by using the SOC code (Standard Occupational Classification) in the Occupation Search dialog box.

b) Here are O*NET links to occupations that are especially relevant to Crowder's geographic region:
