Career and Technical Graduate Follow-Up

Associate of Applied Science
Associate of Science
Certificate Programs
Transport Training

Follow-Up Category Definitions

Associate of Applied Science • Associate of Science • Certificate Programs • Transport Training

Employed Related	Employed in a field or closely related field to their degree/certificate area
Employed Non-Related	Employed in a field not related to their degree/certificate
Continuing Education	Continuing education at an accredited college or university
2 YR	Student is continuing their education at a two-year institution
4 YR	Student is continuing their education at a four-year institution
Employed Related and Continuing Education	Employed in a related field and continuing education at an accredited college or university
Military	Employed in the military
Not Employed	Unemployed
Not Available	Known to be unavailable for placement. Possible reasons include illness, disability, death or incarceration
Status Unknown	Unable to be located
Total Related Placement	Includes students who are employed related, continuing education and employed related, continuing education, or in the military.

Perkins Graduate Follow Up Report

The Carl D. Perkins Career and Technical Education Improvement Act of 2006 requires that all recipients of federal funds provide accountability data to the U.S. Department of Education. The Missouri Department of Elementary and Secondary Education (DESE) is the Missouri state agency responsible for collecting and reporting this data. Student data is collected via the Missouri Student Information System (MOSIS) system. Each of the local education agencies report Career and Technical Education (CTE) data for their students in the MOSIS PS-Adult Perkins Core reporting cycle. To learn more about this performance measure, visit the website of [Missouri Department of Elementary and Secondary Education](#) to access the [Instructions for Perkins IV Adult Accountability Reporting 2015-2016](#).

Category	Number of Graduates	Percentage of Graduates
Employed – Related	323	88%

Total Perkins Completers	368	100%

Perkins Graduate Follow Up Report (Cont.)

Not all students in this follow up report are part of the Perkins Core Report. The students that are captured in the Perkins Core report were identified in a previous report submitted during summer 2016. The list of students submitted for graduate follow up must match the original Core Report.

Below is a breakdown of Perkins students by major.

Program	Number of Graduates
Accounting	6
Administrative Assistant	6
Advanced Manufacturing Technology	10
Agri-Business Technology	7
Alternative Energy	5
Automotive Technology	4
Collision Repair	2
Computer and Network Support	10
Construction Management	1
