

ASSOCIATE OF APPLIED SCIENCE DEGREE

Medical Administrative Assistant

The medical profession is rapidly changing, and with these changes comes the need for highly skilled support personnel. Crowder's Associate of Applied Science Medical Administrative Assistant degree is designed to prepare individuals for employment as office support staff and medical transcriptionists in a variety of health care settings including private medical practices, hospitals, clinics, public health departments, government agencies, or insurance firms. Students develop important career skills in typing/transcription, document filing/processing, medical billing and coding, medical records handling, and medical office procedures. It provides training for both first-time job seekers and experienced employees who wish to advance in their careers.

*All students pursuing this degree must take and pass the approved Technical Skills Assessment (TSA) prior to graduating. A fee will be charged for this test.
