

# How are you going to pay for College or Technical School?

Come to one of our FAFSA Workshops and let  
us help you complete your FREE Application  
for Federal Student Aid (FAFSA).

Advisors representing the Educational Opportunity Center (EOC) will personally assist you in completing the Free Application for Federal Student Aid to attend the college/technical school of your choice.

High school seniors, parents, or adults planning to enter college or technical training, returning to college, and those individuals who are nearing completion of the GED/HSE are encouraged to attend.

Bring your 2014 income tax returns (both parents and students if under the age of 24), if applicable, in order for your FAFSA to be completed and submitted correctly to the U.S. Department of Education.

For additional information, call the EOC Main Office at 866-822-1362
