Summer Academy is the best of times! Each day this year will focus on a different career field with a different professional each day who is currently working in the field. Take a look at the schedule on the back of this sheet.

We are also adding breakfast this year to our schedule. We will be eating two times a day in the Crowder College cafeteria and it is all you can eat!

There is no charge for the Summer Academy for CCTS participants. We even pick up at key locations all over our service area. We do need at least four participants signed up for the location to pick up there, so make sure that your friends sign up as well.
