CROWDER ENROLLMENT UP FOR SPRING SEMESTER

NEOSHO, MO - Crowder College has posted another semester of increased enrollment numbers for the Spring 2013 semester. Total enrollment for this spring reached 4,976 students, an increase of 5.33% over this time last year. Credit hours also posted an increase of 3.86% over last spring with a total of 46,643.

The continual efforts of all the staff in recruiting, retention and increased class offerings throughout our 9 county service region has proven beneficial to the students. We are seeing students pursuing a career change, job retraining, and traditional students enrolling in a variety of courses.
