

YOU CAN PAVE THE WAY!

CROWDER COLLEGE MCDONALD COUNTY

You have the opportunity to be a part of this special building and help support furthering the education of our community. Just as bricks are the foundation of a building, the College is the foundation of a prospering citizens.

Crowder College
Foundation

The time has come!

The **Crowder College McDonald County Building** will be ready for classes for the Spring 2014 semester. The dream for so many to attend higher education is just around the corner. The College has been overwhelmed with the support received from the community and the eagerness to get this project complete!

You have the opportunity to be a part of this special building and help support furthering the education of our community. Just as bricks are the foundation of a building, the College is the foundation of prospering citizens.

On the back of this order form, you can see the architect rendering of the McDonald County Campus. Engraved bricks will be placed at the front entrance under the awning. This location is significant because we want all the students that walk through those doors to know how many people support them and believe in their dreams! Show them your support by ordering your brick today.
