

NEOSHO, MO –ASTI - "The first name in Ammonia Safety Training" is hosting the 2nd Annual Ammonia Safety Days in Neosho!

This hands-on interactive training will be held at Crowder College, Friday, March 14, beginning at 7:00 a.m. in the Wright Conference Center in the Arnold Farber Building on the Neosho campus.

Come learn about the Hazards, Risks, and Threats associated with Anhydrous Ammonia applications (Refrigeration & Agricultural). Explore a behind the scenes at what happened in West, Texas and how Ammonia played a role (or did it?) and the immediate impact it had on the Ammonia Industry. Learn about Emergence Response tools to help you engage your facility, reduce or eliminate OSHA and EPA fines and don't miss SAL-Monia- the most energy efficient man in the room!

This **FREE** event is made possible by the generous donations of General Mills, Honeywell and other local companies who wish to keep you safe. This safety seminar will inspire anyone in the field of maintenance, hospitals, food and chemical industry, and anyone who is on a mission to keep their facilities, neighbors and environment safe.

Anyone interested in attending should enroll by calling Jayson Arter, Operations Manager, [831-713-7763](tel:831-713-7763) or e-mail: jayson.arter@ammonia-safety.com or register at: www.ammonia-safety.com/register-now.com
