Educational Gift Opportunity

Webb City, MO – Crowder College plans to complete and open its newest addition to the Webb City location this fall. Dawson-Spencer Hall will open for classes increasing the capacity at Crowder’s Webb City facility by 1,000 plus students.

The Crowder College Foundation is providing area residents and businesses the opportunity to become a “donor wall sponsor” with a donation of \$1,000 or more. In addition, there are naming opportunities for classrooms, labs and common areas.

The Webb City Expansion Project was made possible by a generous \$600,000 matching donation along with money from FEMA and the college. The 22,000 square foot expansion will include a FEMA shelter with a capacity of 1,375 people. The cost for the project is six million dollars.

The Crowder College Foundation is a not-for-profit 501 (c)3 tax exempt organization. For more information on becoming a Donor Wall or Room sponsor call 417-455-5646 or e-mail: foundation@crowder.edu.
