Dear Prospective Bidder:

Below is information concerning what we are seeking in the form of a material open bid from you. Please see the end of this document for details on submitting a timely bid. Thank you for reviewing this information.

Crowder College is requesting bids for a Forcible Entry Door Simulator to be used in our Fire Science program, with the following specifications:

1. Portable, durable and easily assembled
2. Replicates numerous forcible entry techniques (outward-opening door, inward-opening door, left- and right-handed swinging door, baseball swing technique, etc.)
3. Ability to simulate bolt, hinge and padlock cutting techniques

Additionally, please provide pricing and information on any props/accessories that can be used with your system, standard and extended warranties, and options for training. We ask that you provide us with a bid for the above equipment including all shipping/handling charges to Webb City, MO as well as expected delivery date.

Bids must be received by July 7, 2014 at 5pm CST, either by email to justinbaucom@crowder.edu or postal service to the Attention of Kathy Collier at the address above. If you have any questions please feel free to call or email me concerning this request. We thank you and hope to see your bid in the near future.

Justin Baucom
PSP Coordinator
Crowder College
