2nd Annual Calf Sale Fundraiser for Crowder Aggies

Neosho, MO – The Crowder College Agriculture department will once again become the beneficiary of a limousine calf that will be sold at 11am, Wednesday, April 8, at the Joplin Regional Stockyards.

The Newton County Cattlemens Association will sell a calf with 100% of the funds to assist Crowder Agriculture and Veterinary Technology students. This year's limousine calf was donated by Gary and Linda Emmert. Other sponsors of the event include: Joplin Regional Stockyards, New-Mac Electric, Animal Clinic of Diamond, Empire District Electric and the North American Limousin Foundation.

The calf will be auctioned as the progressive selling continues. Donations for the calf may be tax-deductible until the last bidder actually purchases the calf.

For more information please contact Jay Wilkins at 417-455-5648 or e-mail: JayWilkins@Crowder.edu
