Crowder Vet Tech Program has Pets for Adoption

Neosho, MO – The Crowder College Veterinary Technology program has dogs and cats that are in need of homes prior to the Thanksgiving holiday.

Every semester the program adopts animals from local shelters. The pets are vaccinated, spayed/neutered, dewormed and microchipped. The pets have been lovingly cared for, socialized and are currently looking for a home.

The pets will be available for pick-up by November 24. Adoption applications may be found online as well as photos and information about the pets that are available at:

<http://www.crowder.edu/academics/departments/agriculture/vet-tech/pet-adoption/>

A small fee of \$25 is charged to cover the cost of the microchip monitoring for the first year.

For more information about the pets please call 417-455-5772 or 417-455-5590.
