CROWDER COLLEGE OPPORTUNITIES AT JOPLIN ATTC

It is the mission of Crowder College to provide students access to a quality education. The Joplin Advanced Training & Technology Center (ATTC) provides a convenient location for those who live and/or work in the Joplin region. Students can complete certifications in: Computer-Aided Drafting (CAD), Computer Networking (Microsoft Academy), Advanced Manufacturing Technology, Advanced Welding, and Community Health. Flexible class scheduling provides busy students the opportunity to take classes during the day. Classes are offered in an accelerated format allowing the student to complete a certification in one or two semesters. Students may then pursue an Associate of Applied Science degree at any of our convenient locations, for example: Crowder College - Webb City is only 6 miles from the Joplin ATTC.

BENEFITS OF JOPLIN ATTC

Experienced, friendly, staff are trained to provide financial aid assistance, placement testing, academic and career advising, and enrollment assistance.

- Instructors are highly qualified and experienced in the career field.
- Small class size allows instructors greater opportunity to interact with students.
- State-of-the-art equipment for students to use.
- Courses are sequential allowing students to complete quickly.

A+ PROGRAM

Students who graduate from an A+ accredited high school may use their A+ benefits at any of the Crowder campuses.

WORKFORCE INVESTMENT

Student training at the Joplin ATTC will be able to utilize the Workforce Investment Board (WIB) for additional opportunities to pay for the program as well as find employment upon completion of their certification. The WIB will have office space inside the ATTC providing a convenient location for students.
