

Fire Service Instructor II

**Brought to you by Crowder College and the Ozark Gateway
Fire Chiefs Association**

This course will cover the skills and information needed for existing instructors to assume greater responsibility for training within their department or agency. Topics will include the development of lesson plans, learning objectives, instructional aids, and evaluation instruments. All curriculum and course objectives will be compliant with current NFPA 1041 standards using the latest version of IFSTA Fire and Emergency Services Instructor.

Prerequisites: Prospective students must currently be certified at the Fire Instructor I level or have completed a Fire Instructor I program and be in the process of completing certification.

Location: Neosho Fire Station #1
125 N. College St.
Neosho, MO 64850
