## CROWDER COLLEGE

### Business Administration Program

If you are interested in pursuing a career in the business field and plan to pursue a four-year business degree, see us for your first two years in Business Administration!

This program provides students with a broad survey of general education and business courses along with the opportunity to focus on specific areas of interest. Crowder's Associate of Arts in Business Administration will provide a quality education for students interested in transferring to a four-year institution for a bachelor's degree in business, prepare students for responsible entry-level employment in the business arena immediately following graduation, and/or provide continuing education opportunities for those already working in business and industry.

Students may study full-time or part-time. Business Administration students, who cannot attend college during the week at one of our eight campus locations, can complete the entire degree **ONLINE!**

### Program Outcomes

- Use technology and software applications appropriate to business
- Apply basic accounting and economic principles
- Prepare basic financial statements
- Explore business operations and refine your decision-making and problem-solving skills
- Demonstrate critical thinking and communication skills

### Popular Transfer Options

**MSSU –B.S.B.A in Management:**  
Students can now earn their bachelor's degree in management on the Crowder College Neosho campus

**MSU – B.S. in General Business:**
