A CAMP scholarship is an honor that is presented annually to 45 students who qualify as migrants or seasonal farm workers. Students selected for this honor are expected to meet the following obligations.

7. Scholars will be required to participate in two College Visits (one per semester) at a four-year college or university.
8. Scholars are required to attend Crowder's Career and College Transfer day.
9. Scholars must complete and submit all CAMP program evaluations, forms, and questionnaires.

In addition to the same rights as all other students at Crowder College, CAMP scholars who meet their responsibilities have the following rights:

1. The right to financial assistance during their freshman year (via their FAFSA, other scholarships received, and the CAMP scholarship), including payment for tuition, student fees, room and board (if applicable), required course books, and a small monthly stipend for personal expenses.
2. The right to tutoring services and assistance from CAMP staff in obtaining effective academic support.

Student Contract

College Assistance Migrant Program (continued)

I, _____, accept the opportunity to participate in the Crowder College, College Assistance Migrant Program (CAMP). I agree to follow the policies of Crowder College and its departments. I understand that CAMP is funded by a grant from the United States Department of Education to achieve approved goals; thus there are certain responsibilities that accompany the financial assistance awarded to me. Consequently, in order to achieve the academic, supporting services and financial assistance goals of CAMP, I agree to do the following:

1. Participate in the CAMP ROCS orientation process.
2. Be a full-time student, which is one who enrolls in and/or completes a minimum of 12 credit hours per semester.
3. Follow directions and advice from CAMP staff, including participation at required tutoring, academic and counseling sessions.
4. Complete and Submit Grade Checks on the specified due dates, as required by CAMP.
5. Meet with each of my professors and utilize the Grade Checks to secure information regarding academic progress during the entire freshman year.
6. Meet with my CAMP Advisor to discuss the possibility of dropping any college course(s) in which I have a D or an F grade, or for any other academic related function. I further realize that any academic decision(s) such as this will be made at the discretion of my CAMP Advisor and the CAMP Director, and not by any non-CAMP personnel.
7. Participate in and meet all necessary requirements of the CAMP FOCUS group, which will be mandatory, if I have earned a grade point average (gpa) of 2.5 or lower, at any point during my academic year with CAMP.
8. Abide by CAMP and/or Crowder College's policies, including those regarding the prohibited use of drugs and/or alcohol.
9. Complete all Academic Year Responsibilities listed above, including the required mandatory attendance at CAMP Workshops, Cultural Activities, College Visits, and Career and Transfer Days.
10. Become a member and actively participate in a minimum of one Crowder College club or organization.
11. Abide by all probation and withdrawal procedures as required by CAMP and/or Crowder College.
12. Apply any received Pell Grant and other scholarship funds toward Crowder College tuition and student fees, room and board, and book expenses, prior to receiving CAMP financial assistance as intended by the federal grant guidelines.
13. Accept the financial responsibility and agree to pay (from my own finances) for any and all fines and/or bookstore charges, excluding the fees for required college textbooks that CAMP has agreed to pay per the federal grant guidelines.

Violations of stated policies may lead to termination from the CAMP program or a reduction in CAMP scholarship funding. Any scholar who is suspended or expelled from Crowder College will be terminated automatically from CAMP. This also applies to any scholar who is dismissed from the residence halls. It is important to note that a scholar who discontinues attendance from Crowder classes may be withdrawn from the CAMP program. Termination from CAMP for whatever reason can result in a financial obligation to Crowder College and may result in an unfavorable transcript.

I, _____, have read the information outlined above for the College Assistance Migrant Program scholars and understand the conditions under which my affiliation with the program may be terminated. I also understand that termination of CAMP support may necessitate my withdrawal from Crowder College. I understand all of the above provisions and I agree to abide by the conditions set forth by the College Assistance Migrant Program.
