- ✓ *On-campus housing – within one block of the classroom*
- ✓ *Practical, hands-on English learning*
- ✓ *Affordable – cost is much less than many comparable programs*

The English Language Institute offers three levels of classes:

## ELI 31

Beginning Level, 12 credit hours

## ELI 33

Intermediate Level, 6 credit hours

## ELI 35

Advanced Level, 3 credit hours

## ELI 37

Special Topics Class

Optional for all non-native English speaking students, 3 credits

Students who enroll in

ELI 33 and ELI 35

can also take college credit classes!

## English Language Acquisition Certificate

The English Language Institute also offers an English Language Acquisition Certificate. Students who complete the 24 credits of coursework and receive the certification will be fluent in the speaking, listening, grammar, and writing of English.

In addition to studying and learning English, you will have the opportunity to make friends from other countries and practice your English while having fun!

*What students have to say about studying in the English Language Institute:*

I really like my class. We have a lot of fun while we learn English. I also really like the diversity of the class. My classmates are amazing and my teacher is terrific! –Student from Uruguay

I love how we share our experiences and culture in the ELI class. –Student from Mongolia

From the start, I was so shy to express myself and to talk with other people in English, but taking classes helps me to build confidence. I am feeling very comfortable now and I really like my ESL class. –Student from Benin
