## SCHOLARSHIPS FOR NON-NATIVE ENGLISH SPEAKERS

**NEOSHO, MO** – The Crowder College English Language Institute (ELI) is once again offering a scholarship for non-native English speakers. This scholarship is for non-native English speakers that desire to attend classes at Crowder College. It is available to students that would like to strengthen their English skills for a variety of purposes.

To qualify applicants must be non-native speakers, both U.S. Citizens or International students, that plan to attend Crowder College. Recipients will be selected on financial need, goals for the future, motivation for learning English, and visions for improving their skills and abilities through their education at Crowder College.

The value of the scholarship is \$500. It is renewable for three additional semesters if the recipient completes at least 12 credit hours per semester, and a 3.0 grade point average is maintained each semester.

Applicants must submit a completed online application form. The application form must be received by February 15 to be considered. A campus committee will review applications and select finalists. Finalists will then be chosen and notified. Finalists will be asked to visit the Crowder College campus for an informal interview and placement test.

If you are interested in applying, please go to <http://www.crowder.edu/PROGRAMS/international-students/eli/index.php>, click on "ELI Scholarship," and fill out the online application. The application form must be submitted online by February 15 to be considered.
