SAVE A LIFE TOUR COMING TO WEBB CITY CAMPUS

Webb City, MO-Crowder College's Webb City location has scheduled the AT&T "It Can Wait" simulator to be on campus on Monday, November 18, from 10 a.m. to 3 p.m.

The tour features a state of the art distracted driving simulator which demonstrates the dangers of texting while driving. The event is free to students and employees.

The purpose of having this event is to provide an opportunity for those who tend to be distracted while driving what consequences can happen in the blink of an eye. Crowder College has offered driving programs in the past through grants received in the Transport Training program and has worked with the Highway Patrol and other organizations to bring simulators to the Neosho campus.

###

For more information on the program please contact my office or Cyndi Adamson, Webb City Campus Director, at 417-673-2345 or e-mail: cyndiadamson@crowder.edu
