Crowder Reports Spring Enrollment Numbers

Neosho, MO – Crowder College’s enrollment has grown rapidly over the last 8 years. During these years the college has seen an increase in credit hours taken of 95%. This spring numbers boasted an increase of 1.2% in credit hours totalling 47,204. Total head count for the semester is 4,963 students.

Crowder’s success in continued growth is due in part to expanded opportunities throughout the 9-county service district. The college has facilities in Neosho, Cassville, Webb City, Nevada and McDonald County at Jane which opened this semester. Classes are also offered at Carthage, Greenfield, Lamar, Monett and Mt. Vernon.

Interim President Dr. Kent Farnsworth noted, “We were pleased to see an increase in credit hours again this spring. That hasn’t been the pattern elsewhere in the state and region and speaks well to the strength of our programs and the great job our faculty and staff are doing of keeping the college experience interesting and relevant.”
