CROWDER COLLEGE OPPORTUNITIES AT JOPLIN ATTC

It is the mission of Crowder College to provide students access to a quality education. The Joplin Advanced Training & Technology Center (ATTC) provides a convenient location for those who live and/or work in the Joplin region. Students can complete certifications in: Computer-Aided Drafting (CAD), Information Technology (Microsoft & VM Ware Academy), Advanced Manufacturing Technology, Advanced Welding, and Community Health. Flexible class scheduling provides busy students the opportunity to take classes during the day. Classes are offered in an accelerated format allowing the student to complete a certification in one or two semesters. Students may then pursue an Associate of Applied Science degree at any of our convenient locations, for example: Crowder College - Webb City is only 6 miles from the Joplin ATTC.

BENEFITS OF JOPLIN ATTC

- » Experienced, friendly, staff are trained to provide financial aid assistance, academic and career advising, and enrollment assistance.
- » Instructors are highly qualified and experienced in the career field.
- » Small class sizes allow instructors greater opportunities to interact with students.
- » State-of-the-art equipment for students to use.
- » Courses are sequential allowing students to complete quickly.

A+ PROGRAM

Students who graduate from an A+ accredited high school may use their A+ benefits at any of the Crowder campuses.

WORKFORCE INVESTMENT

Student training at the Joplin ATTC will be able to utilize the Workforce Investment Board (WIB) for additional opportunities to pay for the program as well as find employment upon completion of their certification. The WIB has office space inside the ATTC providing a convenient location for students.

COURSES/PROGRAMS OFFERED

Students attending the ATTC in Joplin will have the opportunity to enroll in:

- » Computer-Aided Drafting including CAD Solidworks program
- » Information Technology (includes Microsoft & VM Ware Academy)
- » Advanced Manufacturing Technology (PLC, Industrial Maintenance, Automation & Robotics)
- » Advanced Welding - Pipe, Plate & Fabrication
- » Community Health (non-credit course) opportunities

SCHOLARSHIPS/FINANCIAL AID

Crowder offers a variety of scholarships and financial aid assistance, so cost does not have to be a barrier to achieving your educational goals. Students may complete the Free Application for Federal Student Aid online at www.fafsa.ed.gov. Scholarship information and applications are available on the Crowder website: www.crowder.edu.

STEPS FOR ADMISSION:

- 1. Complete an application for admission online at www.crowder.edu.**
The \$25 application fee may be paid at any campus or by calling the cashier's office with credit card information at 866.238.7788, extension 5598 or 5402.
- 2. Have your official high school transcript** or GED/HiSet scores, plus any previous official college transcripts, sent to the Records Office.
- 3. Make payment arrangements.** Payment options include cash, payment plan, scholarship, and financial aid (apply for financial aid online at www.fafsa.ed.gov, using the Crowder College code: 002459). All A+ students must apply for financial aid. Payment arrangements must be completed prior to the beginning of classes.
- 4. Review the schedule of classes and make an appointment.**
This will give you a chance to become familiar with the types of classes Crowder has to offer and the different times they are held. For more information and to see a listing of courses offered log on to the website: crowder.edu
