

SUMMER MANUFACTURING

CAMP

AMPED

ADVANCED MANUFACTURING  
PRODUCT ENTREPRENEURIAL DESIGN

WHERE:

**Crowder College**  
601 Laclede Ave.  
Neosho, MO

**CROWDER  
COLLEGE**  
TECHNICAL EDUCATION CENTER

WHEN:

July 8-12, 2019  
8:30 am – 3:00 pm | Monday-Friday

WHO:

**Girls & Boys, Ages 14-16**

PRICE:

**\$95 (includes daily lunch & camp T-shirt)**

Campers will be at the Dell Reed Technical Education Center. Campers will learn about the manufacturing process from start to finish and will be introduced to the world of entrepreneurship by allowing them to design and build a project from wood. Campers will learn how to use tools & machines, techniques & processes, while learning how products from yesterday, today and the future are constructed. STEM concepts are imbedded in the curriculum.
