## HOUSING APPLICATION ADDENDUM

In compliance with the Campus Security Act as amended in 1993, Crowder College is committed to providing a safe campus for students and employees. Specifically, Crowder College is committed to building policies that discourage students, employees, and visitors from violating federal, state, and municipal laws and avoid activities that pose potential risk or threaten the health and safety of general campus community.

Due to concerns with campus safety and security, it is important for the Campus Life Office to know if you have been convicted or have charges currently pending for a felony offense or disciplinary action (suspension, expulsion, probation or warning) from a prior college or university. Permission for residents requesting to live in the residence halls with a felony conviction or prior disciplinary action will be determined on a case-by-case basis, dependent upon the circumstances of the conviction or severity of prior incidents. Failure to answer the questions truthfully can result in judicial action including, but not limited to, immediate cancellation of an individual's housing contract. The College reserves the right to accept students into the resident halls.

**Please answer the questions below.**

Have you been convicted of a felony offense?  Yes  No

Are there any charges currently pending against you in any jurisdiction or have you ever been convicted of, or plead guilty to, any violation of law other than minor traffic violations?  Yes  No

Have you ever been administratively withdrawn, suspended, warned, placed on academic or disciplinary probation, expelled, or requested or advised to resign from any post-secondary school?  Yes  No

**If the answer to either of the questions is yes, give dates and complete details.**
