# STUDENT BORROWER RIGHTS AND RESPONSIBILITIES

All Borrowers must complete the Annual Student Loan Acknowledgment online at <https://studentaid.gov/asla/>

*Student loans are serious obligations. It is extremely important that you understand your rights and responsibilities. By signing this form you have read and understood your responsibilities and agree to honor them. With black or blue ink, please INITIAL all of the rights and responsibilities and sign and date at the bottom.*

I understand that:

- \_\_\_\_\_ I must pay back my loan(s) with accrued interest and any deducted fees.
- \_\_\_\_\_ I must repay my loan(s) even if I don't complete my education, if I am dissatisfied with my education or if I am unable to get a job after I complete my education.
- \_\_\_\_\_ My minimum monthly payment for a loan is \$50, but may be more depending on the amount borrowed. In most cases, repayment will begin following a six-month grace period for Federal Stafford Loans.
- \_\_\_\_\_ I must notify my school and lender immediately if I:
  - Move or change my name, address or telephone number.
  - Change my social security number.
  - Withdraw from school.
  - Drop below half-time enrollment.
  - Change my graduation date.
- \_\_\_\_\_ I must complete "exit counseling" before I leave school.
- \_\_\_\_\_ If I qualify, I may apply for deferment to postpone payment.
- \_\_\_\_\_ If I fail to repay a loan, I may be considered in default and the following may result:
  - My loan will be reported to national credit bureaus and will have a negative effect on my credit rating for 7 years.
  - The entire unpaid amount of my loan, including interest, will become immediately due and payable.
  - My federal and state income tax refunds may be withheld.
  - My wages may be garnished.
  - I may be ineligible to receive any additional federal or state financial aid funds.
  - My loan may be referred to a collection agency and I will be liable for collection costs.
  - I may be sued by the holder of my loans for all amounts owed, including attorney fees.
- \_\_\_\_\_ I understand that my student loans are not dischargeable through bankruptcy.
- \_\_\_\_\_ In general, for students who meet the financial aid priority dates, disbursement dates for an academic year loan will be during the 4<sup>th</sup> week of classes each semester. For a single semester loan, the first disbursement will be during the 4<sup>th</sup> week of the semester and the 2<sup>nd</sup> disbursement will be after the mid-point of the semester. Once the loans are disbursed to the student account, the refund process may take up to 14 days.
- \_\_\_\_\_ If I have questions about the student loan process and my rights and responsibilities, it is my obligation to seek the answers from the Financial Aid Office, my lender or the holder of my loan.

Students requesting a loan during the Fall 2021 semester who indicate they are graduating in December 2021 will have their loan certified for the fall semester only. Students submitting loan requests during the Spring 2022 and Summer 2022 semesters will have their loans certified for a single semester only. No single semester loan will be certified for more than one half of a loan grade level for an academic year as outlined below. All loans have two disbursements dates. These disbursement dates will be provided to the student in a notice from the Department of Education once the loan has been guaranteed.

You may borrow from both the subsidized and unsubsidized loan programs as long as the combined loan amount does not exceed the maximum allowed per grade level. Federal regulations require you to apply for the subsidized loan first. Any additional eligibility will be an unsubsidized loan but cannot exceed your total cost of attendance minus the combined financial aid you are receiving.
