Sign up for a walk-through commencement time by Friday, April 30 at www.Crowder.edu/Commencement. You will receive written confirmation of your sign-up date and time, along with additional important information, prior to the ceremony.

DAY OF COMMENCEMENT

- Masks are required for everyone in your party.
- We encourage each graduate to limit their group to no more than 8 family/friends.
- The personalized, walk-through ceremony will be brief but will require continuous walking/standing.
- Please arrive at Bob Sneller Gymnasium, on the Neosho campus, in your academic regalia (cap and gown), 5 minutes prior to your assigned walk-through time.
- Everyone in your group should be present prior to entering Bob Sneller Gymnasium. The walk-through ceremony will be brief and if your entire party is not present, they will not be able to join you and will miss your time on stage.
- Once you arrive at Bob Sneller Gymnasium, you will pick up your preprinted name card, make any necessary phonetic notations to your name pronunciation, and fill in your permanent email address. Your name card is **very** important.
- Your group will be personally escorted through the ceremony by a Crowder faculty or staff member while socially distancing from other groups.
- When you approach the stage, you will present your name card to the name reader and cross the stage to be recognized and receive your diploma cover. Please note, you will receive only a diploma cover, and not your official diploma. Subject to completion of all degree requirements, your diploma will be mailed to the address listed on your application for graduation on file in the Record's Office.
