

NURSING

Associate of Science Nursing

The Crowder nursing program is nationally accredited by the Accreditation Commission for Education in Nursing (ACEN) and fully approved by the Missouri State Board of Nursing. This is a multiple entry program where licensed practical nurses can enter with advanced standing or students may enter with no previous nursing education. There is an admission selection process with applications accepted for the August class in Nevada and McDonald County from October 15 to February 15 and the January class in Neosho and Cassville from May 1 to September 1. Applications are available at www.crowder.edu/programs/nursing

Licensing Information

To be a registered nurse (RN) in Missouri, a graduate must pass the NCLEX licensure exam. Completion of the program does not guarantee eligibility to take the licensure exam as described in the Missouri Nursing Practice Act Section 335.066.

Application Requirements

1. Be approved for admission to Crowder College.
2. Submit a \$40 non-refundable fee.
3. Be at least 19 years of age by completion of the program.
4. Have a high school diploma or GED certificate.
5. Have a minimum grade point average (GPA) of 2.75 on completed general education courses for the Associate of Science Degree in Nursing.
6. Have a minimum ACT composite score of 19, or a minimum ACT composite score of 18 will be accepted if GPA on completed general education courses for the degree is equal to or greater than 3.0
7. Submit to a criminal background check.
8. For traditional students (non-LPN) must have an active CNA, CMA, RMA, EMT certification or RT, PT, OT, or Paramedic license. LPN bridge applicants must be licensed and eligible for Missouri licensure before starting the program and have IV certification.

Selection Criteria

Selection is based on grade point average, ACT scores, work experience, community service and references. Acceptance is pending a criminal background check and drug screen.
