

MANAGEMENT

WANT TO BECOME A MANAGER?

Associate of Applied Science Business - Management Option

Everyone recognizes great managers and leaders when they see them. Chances are they were not born that way; they learned and developed over time! Crowder's Associate of Applied Science in Business - Management will teach you what you need to know to advance within your current organization or to get your foot in the door of that company you've always wanted to work for. This program is designed to help prepare you for work in entry-level management positions in a number of different industries and organizations.

WHY CROWDER?

- Small class sizes and low student-to-teacher ratio
- Personalized care from credentialed instructors
- Courses available online, in-person, day & evening
- Degree may be obtained entirely online
- Significantly reduce the cost of your education
- Gain experience through an internship
