

SO YOU WANT TO WORK WITH PEOPLE?

AA Psychology, AA Psychology: Autism Option Certificate Behavior Technician

Obtaining an academic background in psychology offers skills which can be applied to almost every industry, especially those that involve influencing behavior. After completion of a baccalaureate degree, graduates can often find work with community support, law enforcement, sales, and administrative services. If students are interested in careers directly relating to Psychology, it is strongly recommended they pursue a graduate degree such as a Masters, PhD or PsyD.

WHY CROWDER?

Crowder has exceptional partnerships providing opportunities for you to get first-hand experience working in a professional education setting. Crowder also has university partners who deliver bachelor options without having to move or travel to a distant campus. Opportunities include:

- **Transferability of degree to continue education at a four-year institution**
- **Multiple career pathways**
- **Program faculty have experience in the field**
