

# THEATRE

## LIGHTS, PLACES, CURTAIN YOUR PASSION?

### Associate of Arts

Want to pursue a career in theatre? The Crowder College Theatre Department has three goals for its students: 1) Encourage students to appreciate theatre as a form of art; 2) Encourage an understanding of how live theatre develops from scripts to performance; and 3) Provide students with many opportunities in live theatre performances and experiences, as well as technical areas.

There are opportunities for student-directed productions, acting, stagecraft and costume design beginning your freshman year. You won't be competing with upper-classmen and graduate students like you would be at a university. Crowder Theatre offers five productions each year with children's and student-directed plays included.

The Crowder Theatre Players organization provides opportunities to make new friends and attend other theatre-related events. Talent-based scholarships are available to students, even those not declaring theatre as a major!

# CROWDER COLLEGE

601 LACLEDE AVE, NEOSHO, MO 64850

# THEATRE

## WHY CROWDER?

- Opportunities your freshman year to audition for a leading role
